# THE FORMULA BRIEF

The day on one page. This is a digest of the evidence worked through in the race pages that follow — trends, pace, draw, ground and RacelQ — not a set of selections.

MOST SUPPORTED = best combined evidence grade (4+ is four supporting signals, x counts concerns). TOP TREND FIT = best pure historical fit — not always the same horse. Amber rows: history too thin to lean on. Built 21:00, 19 August, night before, declared field; prices are overnight forecasts captured at build and will move — non-runners reshape every race they leave.

Historical profiles: completed meetings from 2015–2025. Current-meeting draw and pace figures include completed 2026 races to date. Where a race is too new to have its own history, its profile comes from a labelled cohort of comparable races at the meeting rather than being left blank. FORM most recent six starts, latest last. DAYS since its last run. CLASS movement against that run — 'down 2' means it drops two classes today. YORK is its record at this course, C&D; at this course over today's trip; a green C&D; figure is a course-and-distance winner. Group and Listed races carry no class number, so no movement is shown against them.

## FROM THE YARD

Kalpana — Kalpana is a special mare. As the year goes on, you often see her improving from run to run. I thought she'd have to put up a personal best today to even be placed, but to go and do that is amazing. You couldn't get a more straightforward...

Minnie Hauk — We perhaps could have taken our time a bit more with Minnie Hauk going a mile and a half against older horses. She was just up with the pace all the way - Aidan O'Brien, trainer.

Minnie Hauk — Stable tour: We've just put a line through Minnie's run in the Tattersalls Gold Cup. She's been fine since and as it stands at the moment the plan is to go for the Prince of Wales's. What happened at the Curragh was that the pace went out...

Johanna Walsh — That was a huge performance. Dylan gave Johanna Walsh a fantastic ride and he had a very willing partner. From the three to the two she really came alive. She's a hugely exciting filly for the future. It's fantastic for the team at home,...

Tattycoram — It was a good effort. We finished early with Tattycoram last year as we hoped she could develop from three to four. It looks like that's the case. She went into a dip after winning the Daisy Warwick at Goodwood, hence the two-month break....

Most supported on the page's own evidence: A La Prochaine — two positives, no concerns flagged.

Grade C — thin — only 2 signals could back it; 3 of 5 had no data to offer, so this rests on 2

A La Prochaine is forecast at 6 against a winner SP range of 1.67-13 (typical winner 3.5-9) — inside core.

Where the signals disagree: Prizeland: 3/3 trend fit, 1 bullseye, but 0 wins from 4 on similar ground — Trends says interesting, Going says caution.
