THE FORMULA BRIEF

The day on one page. This is a digest of the evidence worked through in the race pages that follow — trends, pace, draw, ground and RacelQ — not a set of selections.

TIME	MOST SUPPORTED	TOP TREND FIT	PAGE ANGLE	DRAW ANGLE	RACEIQ	KEY CONFLICT
13:50	Exclusive Code (3+)	Exclusive Code (5/5)	4 likely leaders — pace battle risk	—	Intense Vision	Trends and RacelQ disagree (Ironwill)
14:25	Caballo De Mar (4+)	French Master (4/4)	—	Low favoured (17% vs 10%)	Al Nayyir	Trends and RacelQ disagree (Columbus)
15:00	Adaay Of Scarlett (4+)	Adaay Of Scarlett (3/3)	8 likely leaders — pace battle risk	Low favoured (10% vs 5%)	—	RacelQ and Trends disagree (Never Enough)
15:35	Bacio (4+)	Mission Central (4/4)	4 likely leaders — pace battle risk	Low favoured (7% vs 2%)	Pershaada	Trends and RacelQ disagree (American Affair)
16:10	Explode (4+)	Master Vintner (5/5)	Held up / last favoured (10%)	—	Say What You See	Trends and RacelQ disagree (Shadow Dance)
16:45	Game Character (1+)	Oklahoma (2/2)	Leads favoured (11%)	Low favoured (10% vs 5%)	Oklahoma *	Trends and Draw disagree (Oklahoma)
17:20	Lady Dora Mae (4+)	Lady Dora Mae (5/5)	7 likely leaders — pace battle risk	Low favoured (10% vs 1%)	Sharpen	Trends and RacelQ disagree (Food For Thought)

MOST SUPPORTED = best combined evidence grade (4+ is four supporting signals, x counts concerns). TOP TREND FIT = best pure historical fit — not always the same horse. Amber rows: history too thin to lean on. * RacelQ leader has under three GPS runs — a hint, not a ranking. Built 21:00, 20 August, night before, declared field; prices are overnight forecasts captured at build and will move — non-runners reshape every race they leave.

Historical profiles: completed meetings from 2015–2025. Current-meeting draw and pace figures include completed 2026 races to date. Where a race is too new to have its own history, its profile comes from a labelled cohort of comparable races at the meeting rather than being left blank. Full winner-by-year histories, meeting-wide draw, pace, trainer, jockey and sire tables live in the festival edition of the Formula Paper — this card applies them to tonight's declarations.

HOW TO READ THIS PAPER

OR	official rating — the handicapper's mark and the weight scale.
RPR	Racing Post rating, weight-adjusted on the card — compare within the race, not against career bests.
Trend fit	how many historical winner profiles (age, OR, RPR, price, weight) the runner sits inside. A dash is no data — never counted as a pass.
Bullseye	inside the typical-winner core (20th–80th percentile), not merely the full winning range.
Evidence chips	five signals per runner — Trends, Draw, Pace, Going, RacelQ. + supports, x concerns, - unknown; unknown is never a positive.
Similar going	within one step on the firm-to-heavy scale. AW form is excluded throughout — an AW-only horse reads as untested, not flattered.
Finishing speed %	RacelQ GPS closing gear: final-furlong speed vs the horse's race average, ranked in this field.
Run style	L leads · P prominent · M mid-division · H held up — the same reading the pace table is built on.

FORMULA EVIDENCE GRADE

Most supported on the page's own evidence: Exclusive Code — three positives, no concerns flagged.

Grade B — solid support on 3 signals; 2 of 5 had no data to offer, so this rests on 3

Exclusive Code	Trends + Draw - Pace + Going + RacelQ -	Three positives, no concerns flagged.
Intense Vision	Trends + Draw - Pace + Going - RacelQ +	Three positives, no concerns flagged.
Ekleem	Trends + Draw - Pace + Going + RacelQ -	Three positives, no concerns flagged.

Strongest evidence: 5/5 trend fit, 4 bullseyes; mid-division — the winning style at this trip (8.0%); won on this ground (1-1).

Exclusive Code is forecast at 6 against a winner SP range of 2.88-41 (typical winner 6-21) — inside core.

Where the signals disagree: Ironwill: 5/5 trend fit, 4 bullseyes, but bottom-3 finishing speed % in this field (over 6 runs) — Trends says interesting, RacelQ says caution.

FROM THE YARD

Bacio — I expected Bacio to win like that. I was so confident on this horse for this race, now we're going to step it up and see what happens. He's a beautiful horse, almost has an unblemished record - Wesley Ward, trainer. It's amazing, I'm really...

American Affair — I thought I'd won but you never want to be too confident, then Jason Hart was beside me and he was saying 'well done Paul' so I was looking down at me number. What a horse American Affair has been. I was looking at this race and it looked...

American Affair — Stable tour: He's very talented. We hoped he would bounce back the way he did at Musselburgh and he'll improve for it. We're excited. He'll probably go to York for a 5f handicap next but I've put him in the Temple Stakes and the King...

Asfoora — Incredibly proud that we've been able to keep Asfoora up for so long, she's a seven-year-old mare - eight-year-old mare your time. She's had a fair bit of racing and a lot of travel. As a horse trainer, you can sort of only judge yourself...

Mission Central — Mission Central is a very fast horse. He is unbeaten this year and progressed with every run. They went hard, which suited him. In all his previous races, he is very forward because they don't go very fast and he's got an awful lot of...
