THE FORMULA BRIEF

The day on one page. This is a digest of the evidence worked through in the race pages that follow — trends, pace, draw, ground and RaceIQ — not a set of selections.

TIME	MOST SUPPORTED	TOP TREND FIT	PACE ANGLE	DRAW ANGLE	RACEIQ	KEY CONFLICT

17:20	Raamnee (4+)	Al Aali (5/5)	4 likely leaders — pace battle risk	Low favoured (14% vs 7%)	Raamnee	Trends and RaceIQ disagree (Castle Stuart)

MOST SUPPORTED = best combined evidence grade (4+ is four supporting signals, x counts concerns). TOP TREND FIT = best pure historical fit — not always the same horse. Amber rows: history too thin to lean on. Built 21:00, 21 August, night before, declared field; prices are overnight forecasts captured at build and will move — non-runners reshape every race they leave.

Historical profiles: completed meetings from 2015–2025. Current-meeting draw and pace figures include completed 2026 races to date. Where a race is too new to have its own history, its profile comes from a labelled cohort of comparable races at the meeting rather than being left blank. Full winner-by-year histories, meeting-wide draw, pace, trainer, jockey and sire tables live in the festival edition of the Formula Paper — this card applies them to tonight's declarations.

HOW TO READ THIS PAPER

OR	official rating — the handicapper's mark and the weight scale.
RPR	Racing Post rating, weight-adjusted on the card — compare within the race, not against career bests.
Trend fit	how many historical winner profiles (age, OR, RPR, price, weight) the runner sits inside. A dash is no data — never counted as a pass.
Bullseye	inside the typical-winner core (20th–80th percentile), not merely the full winning range.
Evidence chips	five signals per runner — Trends, Draw, Pace, Going, RaceIQ. + supports, x concerns, - unknown; unknown is never a positive.
Similar going	within one step on the firm-to-heavy scale. AW form is excluded throughout — an AW-only horse reads as untested, not flattered.
Finishing speed %	RaceIQ GPS closing gear: final-furlong speed vs the horse's race average, ranked in this field.
Run style	L leads · P prominent · M mid-division · H held up — the same reading the pace table is built on.

FORMULA EVIDENCE GRADE

Most supported on the page's own evidence: Geryon — three positives, no concerns flagged.

Grade B — solid support on 3 signals; 2 of 5 had no data to offer, so this rests on 3

Geryon	Trends + Draw - Pace - Going + RaceIQ +	Three positives, no concerns flagged.
Saber Strike	Trends + Draw x Pace + Going + RaceIQ -	Three positives, one concern.
Persica	Trends + Draw - Pace - Going + RaceIQ -	Two positives, no concerns flagged.

Strongest evidence: 4/4 trend fit, 3 bullseyes; won on similar ground (2-7); best finishing speed % in the field (over 6 runs).

Geryon is forecast at 6.5 against a winner SP range of 2-12 (typical winner 3.5-7) — inside core.

Where the signals disagree: Expanded: 3/4 trend fit, 2 bullseyes, but bottom-3 finishing speed % in this field (over 6 runs) — Trends says interesting, RaceIQ says caution.

FROM THE YARD

Notable Speech — With Notable Speech I'm afraid you've got to say it's Ascot. He just doesn't turn up as the same horse. You could keep an eye on the Sussex with him or he could go back on his travels to France, before heading over to Canada and back for a...

Lake Forest — The race didn't pan out how we thought it would; we expected them to go fast and it didn't so it's a great effort on Lake Forest's part. When he was a colt, he was just a bit bolshie, too much testosterone I suppose. He was just a bit ill...

Ten Bob Tony — We were thinking about where we were going to run Ten Bob Tony until the Prix de la Foret. After he came out of Epsom so well, we thought we'd have a go. We'd paid up in the race, he came out of Epsom really well and his owner, Simon...

Ten Bob Tony — Stable tour: I was a little disappointed with him in the Gladness Stakes but conditions were really testing and it was very hard to make up ground. It was also no coincidence that the winner was the only one who'd had a run this year or...

Satono Reve — Satono Reve was looking around and racing well but didn't pick up as I expected. He kept his beautiful stride but just didn't gear up as I expected - Christophe Lemaire, jockey.
